

# Nightcrew...

are Pembrokeshire's premiere function band with vast experience and a top-class pedigree.

The six-piece dance combo feature electrifying three-part vocal harmonies and are backed by one of the tightest rhythm sections around.

The current line-up is (from left to right:-) Dai Codd on bass guitar, Jim Outram and Maria Outram both of whom handle lead/ backing vocals and keyboard duties, Julie Mathias on lead/ backing vocals, Colin Owen on drums and Geraint Williams on lead/ rhythm guitar.

Nightcrew's diverse repertoire extends from 1950's Rock and Roll, through pop, disco, rock and soul music of the 1970's, 80's, 90's right up to the present day ensuring that all tastes and ages are well and truly catered for - (they can even play a Waltz if the occasion arises!!).

## **Whatever the function, Nightcrew are not to be missed!**

Nightcrew will provide a minimum of 90 minutes "live" music for £500.00 (the price may be increased if the event is further than 30 miles from Haverfordwest – to cover fuel and travelling time). For most bookings Nightcrew will provide 2x one hour sets of live music, however for some events 3x 30 minute sets are more convenient (this may be negotiated upon booking). Nightcrew will also provide suitable backing music in between the live sets, if this is required, to keep the party going!

Ideally, Nightcrew will set-up in the early afternoon of an event, prior to guests arriving, but for smaller venues (or venues in excess of 30 miles from Haverfordwest) where this may not be possible, Nightcrew will require 1.5 hours of set-up time during the proceedings.

Nightcrew are a 6 piece band (with instruments and amplifiers!) and therefore require a performance space of a minimum of 4 metres deep by 6 metres wide, ideally near a power socket! – please allow for this in your planning! As well as the 6 musicians, Nightcrew employ a sound engineer to mix the instruments and control the volume. For the amplifiers and mixing desk, a further 1 metre deep by 2 metre wide space would be required (ideally half-way down the venue in sight of the band and near a power socket!)

Nightcrew are an experienced band and have played many types of event to wide ranging audiences in a huge variety of venues, large, small and in-between! – please feel free to contact us with any queries or concerns prior to the event and we will be happy to work around any foreseeable problem and may even be able to offer advice and the benefit of our experience too if you need it!!
